

## Chief Financial Officer

The Des Moines Area Regional Transit Authority (DART), the exciting and growing public transit provider in the Iowa Capital region, seeks an experienced financial professional to join its 250-employee team. DART is the largest public transit system in Iowa, with a \$21M annual budget making DART one of the region's 10 largest municipal government organizations. The position will be responsible for developing financial strategies and policies that ensure accuracy, transparency, and overall sound stewardship of DART's public resources. Candidate must demonstrate ability to manage financial activities to support innovative, high-performance operations, while emphasizing creative problem-solving, quality, productivity, and goal attainment. Major areas of responsibility include: public financial and management control, budget development, preparation of public financial statements, property tax administration, cash management, investments, policy development and complex financial analysis. Requires a Bachelor's degree with a major in Finance, Accounting, Business, Public Administration or related field and prior professional financial experience including accounting practices. CPA, MBA, or other related Masters Degree; and municipal finance experience preferred. Starting salary, \$85K-\$105K. The position will be open until filled.
