

## Inventory Control Coordinator

Des Moines Area Regional Transit Authority (DART), Iowa's largest public transit operation, is seeking candidates for the Inventory Control Coordinator position in our maintenance shop.

Qualified candidates will have:

- Analytical and problem solving skills as related to inventory
- Strong inventory control experience, to include inventory reduction
- An understanding of just-in-time and kan-ban systems
- Experience with computerized inventory record keeping
- Performed cycle counting
- Experience building supplier-side relationships.

Candidates with inventory control experience in fast paced dealerships or manufacturing operations are preferred.

Qualified applicants should forward a cover letter, resume and salary history to:

Human Resources  
Des Moines Area Regional Transit Authority  
1100 DART Way  
Des Moines, Iowa 50309-4530

DART is an equal opportunity employer

A physical examination and drug screen are required.
