

**The Polk City/Alleman On Call is a neighborhood shuttle service between Polk City, Alleman and Ankeny.**

**How To Use**

DART's On Call service is one of the easiest forms of transportation available. The shuttle operates along a designated route, with scheduled stops in each community, but with advance notice can pick-up and drop-off passengers at requested locations near the route depending on time and space availability. The schedule lists departure times for several key stops. Plan to arrive at your stop 5 minutes early.

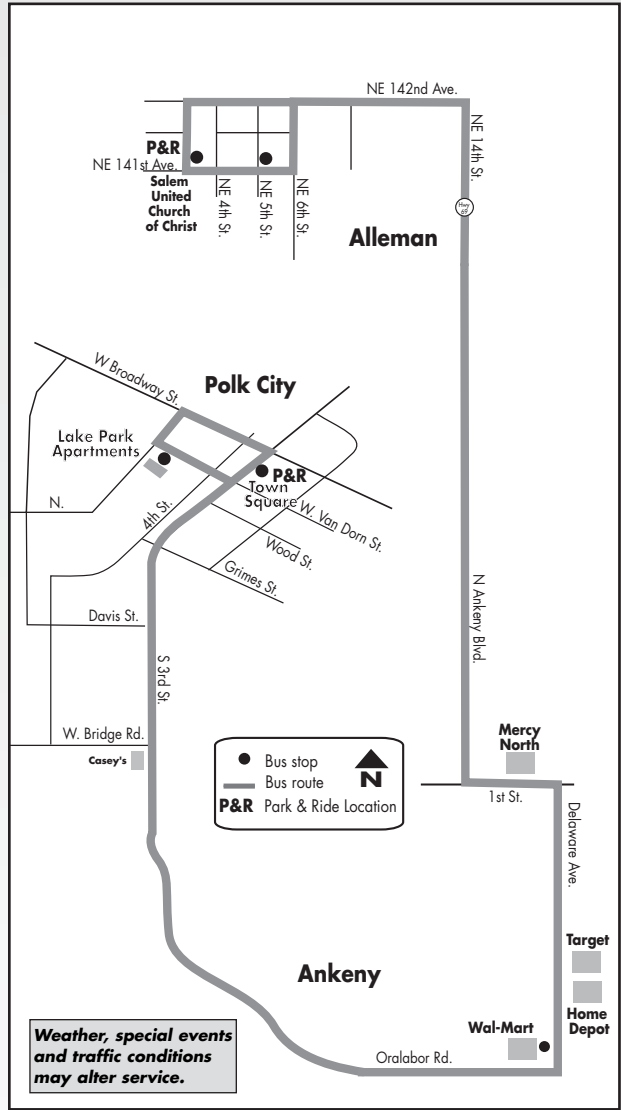

**Trip Requests**

If you cannot get to a scheduled DART On Call stop, or if your destination is not close to a stop, you may still be able to use DART On Call by requesting your trip in advance. These trips are available on a first-come, first-served basis and are limited to the number and type of trips that ensure the bus service is reliable for all customers.

Trips may be requested by calling at least 30 minutes in advance and can be requested up to 7 days in advance. You may be asked to get on or off the bus at a location that is within a few blocks of your origin or destination. Some locations are not accessible to DART On Call buses.

DART On Call buses will meet you at the curb of your pick-up location. If you are not at the pick-up point, the bus will not wait. Plan to arrive at your stop 5 minutes early.
